

2021 – 2022 **Weaving Unity – Park Fence Rke.**

Designed and donated as a free activity with CommUnity Arts Reach. A temporary fabric installation shared autumn to spring. Over 100 community members participated; adding fabric strips and enjoying conversations. It was very successful and repeatable.

2020 **Place Making -Sandbox Refurbished, SW**

Memorial Bridge, SW. Art Commission grant. I attended the open neighborhood workshops facilitated by Doug Jackson, spend time on site to identify needs. The existing sandbox was known as a dirty & dark space and now is clean and covered with a stone mosaic. It is now known as a destination for families and creative gatherings under the cover of The Arches.

2017 **Painted Hope Center Sign/front – Community Centers**

11th St. NW Donation to the Hope Center to increase # of neighborhoodCENTERS

I introduced myself to the community by attending meetings, volunteering art activities, participated in the Melrose Summer of Hope neighborhood festival, and a summer camp hosted by CommUnity Arts Reach.

2017 **Henry Street, Gainsboro, NW**

- Art Activities & outdoor Fun with Gainsboro Families – Presented prior to an evening concert fundraiser for Gainsboro families purchasing the Dumas Center for Artistic & Cultural Development. I know it can still be accomplished, especially as Roanoke individuals and sectors are now more educated about urban renewal and history in Roanoke. .

2016 **Neighborhood Wall Mural, Dale Ave. SE**

- Artist liaison between The Neighborhood and Mural Artist. I facilitated workshops gathering history, stories, and values for the design choice along Dale Ave. Partnered with The Neighborhood Action Forum president, board, former members, neighborhood volunteers, REACH and friends from other neighborhoods. Funded with A Neighborhood grant.

Final Design was presented and prepped by TOOBZ. I managed volunteers on painting days. The neighborhood asso. was easy to work with and well coordinated with City traffic and necessary departments.
