How will the work advance wellness, justice, or inclusion in Roanoke? Consider a community issue that you hope to address, something you want to celebrate or a condition you want to change.

When do you anticipate undertaking the work? If the project is tied to a set event or date, let us know.

Are there partners in this effort? If so describe the partnerships and what each partner brings.

Your theory of change: How will the work advance your efforts as an artist toward an established goal?
How will you, a partner organization, or the community be changed?

How much money do you need to accomplish the project? (The allowed range is \$500 – \$3,000.)

What other resources do you need to accomplish the project?

Attach a full budget for your project. Include all costs and revenues. This can be a spreadsheet, word document, PDF, or image.

I understand the project description and, if selected, I commit to creating the work or implementing the project as described above. If I do not deliver the final product I must repay the City of Roanoke in full. I understand that individuals debarred from receiving federal funds may not receive payment, and that status does not apply to me. My typed name below stands for my signature.
